ABBREVIAZIONI

C	Camera dei deputati
S	Senato della Repubblica

Le voci di classificazione comprese nel presente indice sono distinte in due livelli, tra loro non coordinati ne' dipendenti: i temi, cioe' grandi settori di materie disciplinati dai disegni di legge, e le parole-chiave, che indicano le materie minutamente regolate nell'articolato. Un provvedimento risulta percio' classificato da uno o piu' temi, a seconda della complessita' dell'ambito di competenza, e da una sequenza di parole-chiave, anche su settori molto lontani e diversi da quello che costituisce l'oggetto fondamentale del provvedimento.

Nel presente indice, i termini di classificazione sono indicati in semplice ordine alfabetico, contraddistinguendo i temi mediante sottolineatura; dopo ogni termine, sono indicati i disegni di legge nella cui classificazione esso e' stato impiegato.
